EXPERIENCE

ABA Assessor — *Easterseals Southern California, San Diego, CA*

Apr. 2022 - Present

- Conducted assessment appointments with families both in home and in the community. Utilized evidence-based ABA assessment techniques to evaluate clients for ASD treatment services.
- Reviewed treatment overview, processes, and expectations with the family. Facilitated scheduling of services between families and the assessment team.
- Continued education of modern ABA assessment and evaluation techniques and tools.

Developmental Specialist — *Rady Children's Hospital Division of Genetics/Dysmorphology, San Diego, CA*

Feb. 2020 – Present

- Administered caregiver questionnaires and developmental assessment protocols for clinical trials of Angelman syndrome and other genetic disorders.
- Served as family and research team liaison for Whole Genome Sequencing enrollment and directed all referrals and resources for families of children with special needs.

Autism Care Coordinator — *Rady Children's Hospital Autism Discovery Institute, San Diego, CA*

Feb. 2019 – Oct. 2021

- Monitored and expedited referrals for multidisciplinary providers (developmental-behavioral pediatrician, neurologist, speech therapist, occupational therapist, behavior therapist, child psychologist, clinical geneticist) to establish care for patients with autism diagnosis.
- Educated and supported families through the special education process and community treatment options through care plan meetings and webinar series.
- Served as family and team liaison at the Torrey Hills multidisciplinary clinic and facilitated weekly team meetings.
- Created individualized care plans for patients and met with families in Care Plan Meetings to provide education and support every three months.

PROJECTS

Torrey Hills Multidisciplinary Team, Arena Model Evaluation

Aug. 2019 - Present

Organized and executed two successful pilot initiatives to streamline the evaluation process for children at-risk of an autism diagnosis. Managed schedules and coordination of a single day model so that the patient was seen by the developmental-behavioral pediatrician, clinical psychologist, speech-language pathologist, and occupational therapist.

Little Faces ABA Clinic

Dec. 2017 - Apr. 2018

Created and supervised a clinic-based ABA program in a preschool setting for children with autism as young as 18 months old. Developed curriculum to facilitate independent success within preschool, home and other early childhood settings by systemizing behavioral supports.

Community Schools Initiative

Jun. 2013 - Sep. 2013

Organized an inventory of community programs and resources for all students in West Contra Costa Unified School District Title One public schools, under supervision of the Director of School Health in Richmond, CA.

Americorps Bonner Leader

Aug. 2012 - Jul. 2014

Year-round recruitment and training of college volunteers to assist bilingual 2nd and 3rd grade students at Ford Elementary School in Richmond, CA.
